2. Kind reference is in- vited to the opinion of the Financial Dept- con- tained in paras 8 to 11 of the notes on the file 46-16-Sls 90-20 re Mr. Lakshmana Rao's pay was originally fixed at a higher sum arbitrarily and not on any specific basis the G-O of 17 Dec 1915 permitting him to draw Rs 50/- more than his grade pay in the P.W.D is again a clear con- cession, and a further extension of this concession by giving re- trospective effect to the order of 17 Dec 1915 is in the opinion of the F. Dept- not desirable or called for.

	10/1 4 All the aspects of the case have been considered before passing Resn of 28th Novr 1916 and no additional facts have been furnished to modify the order passed — The rule that the Chairman may draw Rs 50 more than his pay has been sanctioned only from 1st Novr 1915 and no retrospective effect can be given to that rule — The pay drawn by him previous to 1st July 1916 was Rs 500 fixed and had no reference to his pay in the P.W.D — And for the next 4 months he has been permitted to draw Rs 550 instead of the fixed pay of 500, as he was entitled to the same in the P.W.D — So there is no "special treatment" made to the prejudice of Mr Lakshmana Rao in respect of his pension — Letter to Govt TV)

I beg to solicit a kind reconsideration of Government Order No.3192-6/M1.46-16-20 dated the 22nd November 1916 regarding my pay for the months, July to October 1915, and in doing so, I beg to assure Government that I would not have troubled them again with this representation, if I did not feel that my prayer was justifiable and t if Government went through the facts which I submit below, they would see their way to grant it.

2 Put very briefly, my representation is that due effect should be given to the Government Order of December 1915 under which my pay as Chairman has been fixed at Rs.50/- more than my substantive pay as Executive Engineer in the Public Works Department The Government Order of November 1916 on my representation of August last, that I may be permitted to draw Rs 550/- during the period in question, namely from July to October 1915, is inconsequential, as under Government Order No.1181-87/P.W.5775-81 dated the 16th June 1916 sanctioning a Time-Scale of pay to Engineer officers, my pay had been fixed at Rs.550/-. Under the Government Order of 1916, I feel I am entitled to draw Rs 600/- for the period in question as a matter of natural consequence of the spirit of the said Order. I beg to submit that the allowance I draw for the work of

Subject

Petition to reconsider the Government order No. 3192-6/M.L. 46-16-20 dated the 22nd November 1916 & enable the Chairman to draw his pay at Rs 600/- from the 18th July 1915.

President-Chairman has not bearing upon the question of my pay

3. When I was first appointed as President-Chairman, I drew for my duties as such Rs.100/- more than my pay in the Public Works Department. But this difference was reduced to Rs.50/- by the Order of 1915 referred to above.

4. Government have been pleased to continue the benefit of my drawing pay as President-Chairman at a higher rate than in the Public Works Department for the period subsequent to 1st November 1915 and before 1st July 1915 As such it is not clear why in the case of four months viz. July to October 1915 a special treatment should be made. I therefore request that the order of 1915 may be given effect to retrospectively for this short period in question and permission given to me to draw a pay of Rs.600/- (550 + 50) per mensem for that period.

I have the honour tonbe,

Your most obedient servant,
